

To: All Prospective Columbia Association (CA) Bidders

CA encourages Minority Business Enterprises (MBEs), Women-Owned Business Enterprises (WBEs) and Disabled-Owned Business Enterprises (DBEs) to participate in all procurement activities at CA. An MBE is a business entity that is majority-owned, operated, and controlled by members of one of the following groups: African Americans, Native American Indians, Asian Americans, and/or Hispanic Americans. A WBE is a business entity that is majority-owned, operated, and controlled by Caucasian women. A DBE is an individual who has a physical or mental impairment that substantially limits one or more major life activities or has a record of such impairment.

This Bidders List Registration Form has been developed to provide CA purchasers with a database of vendors to solicit when requesting bids for products and services. When requesting bids for products or services, CA purchasers will access the database, look up the appropriate code, and be provided a list of vendors that have indicated that they sell that good or service. This system will benefit vendors by having that information readily available to those who request bids.

Please fill out the Bidder's Registration Form completely, obtain an authorized signature, and return to:

Columbia Association, Inc.
